Three awkward widths.

a b c

Three colored rectangular blocks are shown horizontally. The first block is light blue and labeled 'a'. The second block is light orange and labeled 'b'. The third block is light green and labeled 'c'. The blocks are of different widths, with 'c' being the widest and 'a' being the narrowest.

Sized by their contents.

iMw

A stated grid.

Too wide for the measure.

Halves the other way.

a  b
