

Minutes of the operations meeting

Matters arising

1. The northern depot reported a shortfall against the forecast for July.
 - a) The cause was traced to a late delivery.
 - b) The forecast for August has been revised accordingly.
2. The southern depot is unchanged and needs no action this month.

Actions

- Circulate the revised forecast before the month end.
- Confirm the delivery schedule with the carrier.

Next meeting on the first Tuesday of September.
