

Rail above the first.

One shaded line, no spacing.

Rail between.

One shaded line with twelve points before and after it.

Rail between again.

A shaded paragraph long enough to take three lines of the measure, so that the fill has an inside as well as a top and a bottom, and a last line that stops short of the right margin.

Rail below.

Indents.

Half an inch in from the left.

Half an inch in from the right.

First line indented, the rest not.

Centred, and shorter than the measure.

Two in a row.

The first of two, shaded.

The second of two, the same.

The third, a different fill.

Rail below the three.

Patterns.

Pattern pct10, red on yellow.

Pattern pct25, red on yellow.

Pattern pct50, red on yellow.

Pattern pct75, red on yellow.

Pattern solid, red on yellow.
